

Graphic + Visual Designer

Demonstrated excellence and creative quality in the fields of Graphic Design and Visual communication for over 10 years. Proven ability to multi-task between projects and customer communication. Providing clients with the best solutions for their Print needs. Also, developing the skills within Web Design that give me a visually creative framework to produce dynamic web pages. Skillfully adept in visual communication, computer based applications, large format printing, plotters, cutters, and printers. Established accountability, professionalism, punctuality, attention to detail, and dependability.

Experience

CONTRACT GRAPHIC SPECIALIST 3rd Tour

NOVA Research Company for the CDC (Centers for Disease Control and Prevention)

West Hyattsville, MD 05.2015 – Present

Created thought provoking visual information pieces for the CDC by effectively communicating client needs. Usage of the Create-It tracking system provided me with the tools to design various print and web pieces. *Including, but not limited to:* brochures, scientific posters, banners, exhibit designs, pamphlets, Data Briefs, medical charts, graphs, and, ceremonial programs.

FREELANCE GRAPHIC DESIGNER : Jedi Productions

BeatSelector Magazine (EDM) Morgantown, WV present

Participated in the creative development and visual execution of the magazine. Writing in-depth album reviews, and designing interior spreads that explore the creative qualities of both graphic design and electronic music.

Gray Eye Graphics Philadelphia, PA 09.2008 – present

Working for Gray Eye Graphics has given me the opportunity to design various print pieces that brought each client satisfaction and confidence. The fast paced turn around of the State Farm Agency Ice Cream Flier, Mother's Garden Logo, Food 4Soulé Logo, and Minority E-Business Connectors Stationery brought exposure and additional revenue to each business.

Neville Empowerment Network, Inc. Triangle, VA 12.2014

Helping the employed and unemployed of Prince William County reach their greatest potential with my flyer design calling to the 2nd Annual You Can Do it Too Symposium. Also showing the youth of Prince William County, VA that all of their dreams are achievable via the meaning, symbolism and affect of the Spirit Catcher Productions Logo.

Ms. Ebony Turner: A&T Family Management, and Noir Delights H.A.B.A Philadelphia, PA 01.2014, 08.2014

Employed the core values, business acumen, and professionalism of the A&T Family Management group in their logo. Also the Noir Delights logo.

Ivy Hill Rehabilitation & Nursing Center Wyndmoor, PA 06.2013

Produced an informative Gate Fold Pamphlet focused on families caring for their elderly.

CONTRACT GRAPHIC SPECIALIST 2nd Tour

NOVA Research Company for the CDC (Centers for Disease Control and Prevention) West Hyattsville, MD 09.2013 – 10.2014

Created thought provoking visual information pieces for the CDC by effectively communicating client needs. Usage of the Create-It tracking system provided me with the tools to design various print and web pieces. *Including, but not limited to:* brochures, scientific posters, banners, exhibit designs, pamphlets, year end annuals, medical charts, graphs, and, ceremonial programs.

CONTRACT GRAPHIC SPECIALIST 1st Tour

NOVA Research Company for the CDC (Centers for Disease Control and Prevention) West Hyattsville, MD 08.2005 – 08.2007

Created thought provoking visual information pieces for the CDC by effectively communicating client needs. Utilizing the creative tools to design various print pieces for my clients. *Including, but not limited to:* brochures, scientific posters, exhibit designs, pamphlets, year end annuals, medical charts, graphs, and, ceremonial programs.

SENIOR GRAPHIC DESIGNER

Simply Wireless Fairfax, VA 08.2004 – 05.2005

Increased monthly sales and revenue through the marketing of weekly advertisements in the Washington Post, store signage, store fliers, business cards, Metro bus and train signage. Weekly advertisements in El Tiempo magazine encouraged growth of the Latin community in telcom sales.

Direct vendor processing and client communication with: Papa John's, The Washington Post, AT&T, Nextel, T-Mobile and The DC United soccer team.
