Respondent ID	Answer	Narrative
Respondent 76 First try		
Respondent 12	Excellent	• Once you are enabled you will receive calls on your computer and on your Nortel desk phone. If you miss a call you will receive a missed phone call message in Outlook. If you have unheard voice mail messages, the Phone icon in the Lync main window glows and displays the number of missed calls. Note: No action is required on your
Respondent 14	Excellent	
Respondent 2	Excellent	
Respondent 3	Excellent	He explained that he's out of adamantium and vibranium combined.
